Deacons

likewise *must be* men of dignity, not double-tongued, or addicted to much wine or fond of sordid gain, *but* holding to the mystery of the faith with a clear conscience.

These men must also first be tested; then let them serve as deacons if they are beyond reproach.

Women *must likewise be* dignified, not malicious gossips, but temperate, faithful in all things.

Deacons must be husbands of *only one* wife, and good managers of *their* children and their own households. For those who have served well as deacons obtain for themselves a high standing and great confidence in the faith that is in Christ Jesus.
